

# CERTIFICATE

This is to certify that

Via T. A. Edison, 14 - 39100 Bolzano - Italy

has implemented and maintains an **Occupational Health and Safety Management System**.

Scope:

Design, construction, installation, maintenance and management of waste incineration plants, of technological plants for mechanical, biological, biochemical, and thermal treatment of waste and biomasses, of generation and/or cogeneration plants of electric energy and heat for district heating networks. Design, construction, installation, maintenance and management of technological plants for potable water, waste water and sludge treatment systems, as well as heating, ventilation, airconditioning, water-sanitary, electrical and fire-protection systems.

Through an audit, documented in a report, it was verified that the management system fulfills the requirements of the following standard:

## ISO 45001 : 2018
