Location of execution: Bozen (BZ)

Date of execution: 2010-2011

\* **AUTONOME PROVINZ BOZEN – SAVOY MERAN**

Reconstruction of the school for gastronomy Savoy

Delivery and installation of heating, air conditioning, sanitation and ventilation systems

Location of execution: Meran (BZ)

Date of execution: 2010-ongoing

\* **INSTITUT FÜR DEN GEFÖRDERTEN WOHNBAU - WOBI**

Realization of the new residential and building complex CASANOVA at Bozen

Delivery and installation of heating, ventilation, sanitation and air conditioner systems as well as fire protection systems

Location of execution: Bozen (BZ)

Date of execution: 2009-2011

\* **TECHNOALPIN AG**

Realization of the new company headquarter TECHNOALPIN AG at Bozen

Delivery and installation of heating, air conditioning, sanitation, fire protection systems and air supplying devices

Location of execution: Bruneck (BZ)

Date of execution: 2009-2010

\* **MARKTGEMEINDE WELSBERG-TAISTEN**

Realization of the new artificial ice lane with changing rooms at Welsberg

Delivery and installation of cooling devices and ventilation systems

Location of execution: Welsberg (BZ)

Date of execution: 2010-2012

\* **RAIFFEISEN LANDESBANK**

Reconstruction of the technological systems

Delivery and installation of heating, air conditioning, ventilation systems as well as renovation of the warm water system

Location of execution: Bozen (BZ)

Date of execution: 2010-2011

\* **SÜDTIROLER SANITÄTSBETRIEB**

Realization of 8 new operating rooms at the hospital Bozen

Delivery and installation of heating, ventilation, steam and air conditioner systems

Location of execution: Bozen (BZ)

Date of execution: 2010-2011

\* **WINE CELLAR SCHRECKBICHL**

Reconstruction of the wine cellar Schreckbichl

Realization of process water distributor, industrial steam system, air supplying device, sanitation and water cooling systems as well as delivery and installation of nitrogen and fire protection systems

Location of execution: Girlan (BZ)

Date of execution: 2010-2011

\* **AUTONOME PROVINZ BOZEN**

Reconstruction of the school „Emma Hellenstainer“ at Brixen

Delivery and installation of heating, sanitation, ventilation and air conditioner systems as well as the fire protection system

Location of execution: Brixen (BZ)

Date of execution: 2010-2011

\* **ETSCHWERKE AG**

Integration of a heating centre and Combined Heat and Power in the existing district heating of Meran

Location of execution: Meran (BZ)

Date of execution: 2009-2011

\* **AUTONOME PROVINZ BOZEN**

Realization of the underground workshops at the university Bozen

Delivery and installation of heating, sanitation, ventilation, air conditioner systems and fire protection systems

Location of execution: Bozen (BZ)

Date of execution: 2009-2011

\* **RESIDENTIAL CARE HOME MITTLERES PUSTERTAL**

Enlargement of the residential care home at Bruneck

Delivery and installation of heating, sanitation, ventilation and medical gas systems as well as sprinkler and fire protection systems

Location of execution: Bruneck (BZ)

Date of execution: 2008-2010

\* **GEMEINDE LAJEN**

Reconstruction of the new retirement home

Delivery and installation of the heating, sanitation, ventilation and medical gas system as well as the fire protection system

Location of execution: Lajen (BZ)

Date of execution: 2008-2010

\* **AUTONOME PROVINZ BOZEN**

Reconstruction of the school „Röd“

Delivery and installation of thermo system as well as the sanitation and ventilation system and the fire protection system

Location of execution: Bruneck (BZ)

Date of execution: 2008-2010

\* ***RAINERUM SALESIANI DON BOSCO BOZEN***

Reconstruction of the „Rainerums“ at Bozen

Delivery and installation of heating, sanitation and ventilation systems as well as the air conditioning and fire protection systems
